- Field Service and Repair
- Valve Automation
- AUTOMAX Pneumatic Actuators
- NAF Control and Check Valves
- Worcester Ball Valves
- Predictive Diagnostics

- Control Valves**
- Globe, Severe Service
 - Butterfly, V-Notch, Eccentric Plug
 - Digital Positioners / StarPac III
 - Valve Mounted Controller

- Control Valves**
- Low Flow / Bellows Seal
 - Sanitary/Aseptic
 - TFE Lined
 - Tank Bottom Valves

- Heavy Duty Ball Valves**
Pipeline Ball Valves
- Modulating Control Valves
 - High Cycle
 - Anti-Noise & Anti-Cavitation Trims
 - Trunnion Mounted
 - Metal Seated

Rupture Disks

- Metal / Graphite / Composite
- Burst Sensors & Monitors
- Explosion Vents
- Torque Resistant Safety Heads
- Custom Assemblies

Vapor & Flame Controls

- Pressure / Vacuum Tank Vents
- Flame / Detonation Arrestors
- Tank Blanketing Regulators
- Custom Engineering

Safety Relief Valves

- Clean, Critical Service & API Series
- CS/SS/Exotic Alloys
- Spring Loaded & Pilot Operated
- Single Spindle Design
- Reduced Lead Times
- Local Authorized VR Repair Center

- Actuation**
- Full range of electric & pneumatic
 - Modulating & On/Off
 - Type K Damper Drives
 - Electro-Hydraulic Units

- Transmitters: Pressure, Flow, Multi-Variable, Temperature
- Flowmeters: Vortex, Mag, Coriolis
- Data Acquisition: Recorders, SCADA, Remote I/O, DCS
- Analytical: pH/ORP, O₂, GC's, TDLS

- Intrinsically Safe Interfaces
- Multifunction Cards
- Signal Converters
- Temperature Sensors & Transmitters

Instrumentation Regulators

- Lifetime Warranty
- Innovative Regulator Products
- Single Stage / Two Stage
- Back Pressure / Hi-Flow

Instrumentation

- Precision Instruments
- For Measuring, Transmitting, & Control of Pressure, Temperature, Level, & Flow

Specialty Ball Valves

- Metal Seated Tight Shutoff Custom Applications
- Throttling or On/Off
- Exotic Alloys

High Performance Knife Gate Valves

- Bi-directional Zero Leakage
- Repackable While In Service
- Lime Slurry, Fly Ash, & Powder Applications
- Rubber Seated & Teflon Lined Butterfly Valves

Ball Valves

- CS, SS and Special Alloys
- Complete Range of End Connections
- Pneumatic/Electric Actuation
- Extensive Inventory

Butterfly Valves

- Zero Leakage Triple Offset
- High Performance
- Elastomer Lined Rubber / PTFE

Aquarian Boiler Trim

- Boiler Level
- Conductivity Probes
- Bi-Color Sight Glass

- Precision Air & Gas Regulators
- RTDs and Thermocouples
- Diaphragm Air Cylinders
- Electronic Pressure Transducers
- Filter Regulator Lubricator

Continuous Emissions Monitoring

- Opacity Monitors/Stack Flow
- Data Acquisition Systems
- Analyzers

Sampling Systems

- OdorEyes - Natural Gas Odorizers
- Hydrocarbon Sampling
- Injections or Extractions
- Filters/Dryers

Patented Forged Stop Check Valves

- High Temperature / High Pressure
- Globe Valves
- Swing Check Valves
- Gate Valves

Gauges

- Transducers, Transmitters & Indicators / Manifold Valves
- Needle & Solenoid Valves
- Pressure Switches

Magnetic Level Gauges

- Magnetic Float Level Gauge
- Magnetostrictive Transmitter
- Drum Level Indicator

Vogt Valves Forged Steel

- Gate Valves
- Globe Valves
- Check Valves
